## TO MEMBERS OF ST GEORGE DISTRICT CRICKET CLUB INCORPORATED

In Mike Coward's 2010 book, *A Century of Achievement*, the story of the first 100 years of our Club, he rightly anoints Brian Booth and Warren Saunders as the pillars of the Club. The passing of these two 'pillars', within months of each other, has left a huge void. Their contribution, both individually and in unison, has underpinned a significant part of our Club's success, certainly over the last seventy years. As we celebrate their service, we recognise that we must all play our part in taking up the reins and build on the strong foundations they have provided.

The following pages provide a summary of the Club's season both on and off the field and recognise the input of the players and the many volunteers and supporters who are required to ensure our goal of providing high quality cricket for our district is achieved. The season had many highs including six of our now eight teams making the finals, third place in the Club Championship and Blake Macdonald making his Sheffield Shield debut. Off the field the Centenary celebrations were an outstanding success. All this and more will be seen in the pages that follow.

### CENTENARY OF FIRST GRADE CELEBRATIONS

The Covid delayed celebrations of 100 years participation in the First Grade competition finally took place in early September, two weeks prior to the competition commencing. The day commenced with our First Grade team taking on the NSW squad at Hurstville Oval, commemorating the 1921 fixture the week before our entry into the competition. The result this time was different with our team coming out on top thanks to superb innings from Blake Nikitaras and Moises Henriques, although a mid and late order collapse saw us win nine down in the second last over. At the lunch break a ceremony was held to unveil the First Grade player plaques on the pickets around the ground. Cricket NSW Chair, John Knox, and CEO, Lee Germon, were joined by GRC Mayor, Nick Katris, in front of a large crowd of former players and their families.

The Dinner held that evening in the Club Central Hurstville auditorium attracted a capacity crowd of 440 guests. The night opened with a commemorative video followed by Murray Bennett's interview of our Australian representatives, Trent Copeland and Kurtis Patterson who spoke passionately of their love for the Club. All current and former First Grade players (over 120) in attendance were presented with their numbered lapel pin before our special guests Mark Taylor and Doug Walters were interviewed. They shared stories of

encounters with St George teams and their respect for the Club. A wonderful day concluded with the naming of the Team of Decade, continuing the tradition commenced with the Club Centenary in 2010.

### BLAKE MACDONALD SHEFFIELD SHIELD DEBUT

When Blake came to the Club in the 2017/18 season, he impressed everyone with his natural ability and commitment to the team. 702 runs for the season consolidated that belief. His consistent efforts in every season since then, combined with some outstanding performances in Second XI cricket, including 177 not out against the West Indies early this season, saw Blake make his Sheffield Shield debut against South Australia in the last round of the competition. Congratulations Blake on this well deserved selection. We look forward to many more games in NSW colours.

### CAPTAINS

We are fortunate to have a very strong leadership team and we offer our sincere thanks to our captains; First Grade Nick Stapleton, Second Grade Mitch Gray, Third Grade Josh Appleton, Fourth Grade Steve Wark, Fifth Grade Paul Witherly, Metropolitan Cup Swapnil Pawar, Poidevin Gray Jack Hartigan and AW Green Shield Ed Anderson for their commitment and dedication to what is an extremely time consuming and important role. Special congratulations to Nick and Steve on winning, the SCA Captain of the Year Awards for First and Fourth Grades. Outstanding recognition of their leadership. Also, to David Williams (Poidevin Gray) and John Grealy (Green Shield) who managed their teams with great efficiency and care for their players. Luke Bartier and Paul Francis were again appointed Club Captains. They organised several functions for the players and continued to be an effective conduit to the Management Committee.

### COACHING STAFF

Peter Jackson again led an experienced and committed team of coaches. We have a very young club with players of potential who need skill development and mentoring. Our coaching staff are working with individuals and groups, providing an environment conducive to learning and results are being achieved. Peter puts in an enormous amount of time and effort to ensure improvement for individuals and the Club. The expansion into Metropolitan Cup increased Peter's workload with additional players to be organised, but as always it was done without fuss. Peter also again took on the additional responsibility of coaching the Green Shield. A big thank you to Nick Warren, Ed Zelma, David Williams, Steve

# PRESIDENT'S REPORT

Cazzulino, Kevin Pillay, Trent Schmutter and our fitness guru, Jock Campbell for sharing their expertise and knowledge. Future success will be built on a culture of hard work and learning, of which our coaches are providing the foundations.

## SPONSORS

We are very fortunate to have a generous group of sponsors who continue to provide the financial input that allows us to promote cricket in this district and to give opportunities to our players. I remind everyone associated with our Club to support these top quality local businesses: - Club Central, Club Rivers, Warren Saunders Insurance Brokers, Hurstville Private Hospital, McGrath Real Estate – St George, Oatley Hotel, Real Play, Ramsgate RSL, Munro Spaul Accountants, Kingsgrove Sports and Owen Hodge Lawyers. We are always grateful for their support and pleased to support their business.

## COUNCILS

For over 100 years our Club has maintained close ties with our local councils. From the Councillors and General Managers to the ground staff at both Georges River and Bayside Councils we have excellent relationships. After the terrible weather at the end of last season and through the winter it was necessary to re-lay the squares mid-season at Hurstville and Olds and both came back strongly after Christmas. In the interim, Harold Fraser proved itself a First Grade ground and Cahill was also an excellent back up. Another big thank you to the Georges River Council staff Stuart Collins, Warren Stanley, Damian Kelly, Chris Hobbs, Anthony Holdstock, Michael Dettman, Jimmy Jordan and Shane Kavanagh at Cahill for their continued dedication.

## No. 1 MEMBER

This season, our No.1 member was Life Member, Murray Bennett. Murray tossed the coin for our first home game and of course continued to be a big part of our functions. We appreciate his continued support and commitment to our Club.

## REPRESENTATIVE PLAYERS

In addition to our four Shield players, we also have a number of players involved in the CNSW development pathways. Congratulations to the following players on their representative selections:

<b>Josh Hazlewood</b>	Australia (Test, ODI & T20)
<b>Kurtis Patterson</b>	NSW (Capt.), Sydney Sixers
<b>Moises Henriques</b>	NSW, Sydney Sixers (Capt.)
<b>Trent Copeland</b>	NSW
<b>Blake Nikitaras</b>	NSW, Sydney Thunder, ACT / NSW Country
<b>Blake Macdonald</b>	NSW, ACT / NSW Country (Capt), NSW & ACT XI Vs West Indies
<b>Victor Strange</b>	NSW CHS 1

**Raf MacMillan** NSW Metro U19's, NSW & ACT XI Vs West Indies, NSW All Schools, NSW CHS

**Peter Francis** NSW Metro 2nd XI, NSW & ACT XI Vs West Indies

**Tom Vane Tempest** ACT / NSW Country, NSW & ACT XI Vs West Indies

**Rhys Cattle** ACT/NSW Country U19's

**Jack Hartigan** NSW Indigenous Team

**Ed Anderson** NSW Metro U16

**Lewis Keenan** NSW Metro U16 & U17

**Manraj Kahlon** NSW Metro U16

**Tom Forrester** NSWCCC

**Will Taylor** NSWCCC

## HALL OF FAME

Four players who made their Club debuts in the 1970s were inducted into the Hall of Fame. *Murray Bennett, Jon Jobson, Greg Matchett* and *Steve Bernard* were recognised for meeting the stringent criteria required to join this elite group of players. Each of them contributed many years of magnificent service with outstanding individual playing records.

## WARREN SAUNDERS SPIRIT OF CRICKET

The Sydney Cricket Association have decided to honour the memory of Warren Saunders by attaching his name to the Spirit of Cricket Award. It is therefore an even greater pleasure to advise that in its first season with the new title that our Club were the winners. St George prides itself on playing the game in a competitive but fair manner and therefore we place great importance on this award and congratulate all our players and particularly our Captains on maintaining the Club's high standards.

## LIFE MEMBERS

At last year's AGM, two former players, Kevin Pillay and Paul Ryan, were recognised with Life Membership, an honour bestowed only on those with meritorious service. Both Kevin and Paul were outstanding long term players, both served on the Management Committee and continue to give back. In Kevin's case as a member of the coaching staff, Paul through his promotion of the Club through his Cricket Connect platform. Congratulations again on this well-deserved honour.

## GROUND MANAGERS/SCORERS

For our teams to perform well on the field they need significant assistance with the off-field responsibilities. At Hurstville Oval, Graeme Fleming took on the ground management role with wonderful support from Denis Johnson, Darren Riley and team managers Jeff Evans and Steve Gray. The afternoon teas maintained the high standards with Cathy Francis and Leanne Gray working their magic. George Philips, Ken

Rummans and Tony MacDougal were always available to assist and Stuart Maurice continued in the thankless task of Hurstville Oval Canteen Manager. We thank them for the assistance they provide. In this regard I also recognise the efforts of our scorers, Jeff Evans (First Grade and PGs), Steve Gray (Second Grade), Ian Anderson and Jane Grealy (Third Grade), Alan Pandelis and Joe Serra (Fourth Grade), Alan Pandelis (Fifth Grade), Daniel Wilkie (Metros) and Manjinder Sandhu and Kris Wylie (Green Shield). Not only are they dedicated and efficient, they are great support to our players and each highly respected.

## ST GEORGE DCA

We continue to have an excellent relationship with the Association. In conjunction with the Norm O'Neill Indoor Centre, we were able to facilitate an off season coaching program for roughly 100 junior players as well as assisting with the selection of their representative teams. Fortunately, the Association continues to provide us with talented young cricketers, and we are grateful for their efforts in development.

## SYDNEY CRICKET ASSOCIATION

Our congratulations are extended to the following Clubs on their success in winning SCA competitions.

### *NSW Premier Cricket*

Club Championship	Manly Warringah CC
First Grade	Parramatta CC
First Grade Limited Overs	Northern District CC
First Grade T20	Sydney CC
Second Grade	Manly Warringah CC
Third Grade	Parramatta CC
Fourth Grade	Manly Warringah CC
Fifth Grade	Northern District CC
Poidevin Gray	Randwick Petersham CC
AW Green Shield	Parramatta CC

### *Sydney Shires*

Club Championship	Burwood Briars CC
First Grade	Strathfield CC
Second Grade	Burwood Briars CC
Third Grade	Burwood Briars CC
Fourth Grade	Warringah CC
Frank Gray Shield	Epping CC

Nick Stapleton was asked to serve on the SCA Management Committee as a players' representative, a significant honour, and all reports indicate, as expected, that he handled the responsibility with distinction.

Thanks to the efforts of Roy Formica, the competitions are conducted efficiently, and we thank all Clubs for their hospitality throughout the season. Also to Darren Goodger, Troy Penman, Bede Sajowitz and the umpires; many thanks

for your important role in our great game. Every game again this season had two umpires officiating and this is testimony to their excellent promotion and organisation.

## MEDIA

We are very fortunate to have the support of John Veage, the Sports Editor at the St George & Sutherland Shire Leader. We receive excellent weekly coverage of our games with high quality photos. Our own Communications team, led by Hamish Solomons, ensure regular updates are provided across the social media platforms. The introduction of a round update newsletter, emailed to our sponsors and members was very well received with an enormous amount of positive feedback.

## TROPHY MATCHES

Our annual trophy matches were both tough encounters, as you'd expect against quality Clubs. We hosted the O'Sullivan/O'Keeffe fixture against Sydney University on Sponsors/Members Day and it was wonderful to have Kerry O'Keeffe join Judy O'Sullivan to present our First Grade Captain, Nick Stapleton with the Trophy. Sutherland hosted the Norm O'Neill Trophy match and again we received the trophy. These matches are strong reminders of the camaraderie of our great game, and we are fortunate to be involved.

## CHARITY WALK

The Annual Charity Walk was again very successful with over \$27,000 raised for our Charity Partner, St George Sutherland Medical Research Foundation (SSMRF). This event demonstrates our Club's commitment to the local community and SSMRF are extremely grateful.

## OBITUARIES

We extend our sympathy to all members of the Club who may have suffered the loss of a family member during the season. Separate entries are provided on Brian Booth, Warren Saunders, John Martin and Keven McKiernan

## MANAGEMENT COMMITTEE

Finally, I would like to thank our Management Committee for their contribution to the Club, Secretary Graeme Fleming, Treasurer Jeff Evans, Manager Player Performance Peter Jackson, Manager Membership George Philips, Manager Playing Operations Greg Matchett, Manager Sponsorship Steve Gray and Manager Communications Hamish Solomons, all undertook their additional responsibilities with enormous energy and commitment. Our Club is fortunate to have a wonderful group of volunteers who with our players and supporters continue the proud tradition of our Club. I look forward to everyone's participation again next season.

## KEVIN GREENE

*President, St George District Cricket Club Inc.*

# A STALWART OF THE CLUB

## Warren Saunders OAM

Warren commenced his career at St George in 1947/48 as a 13 year old in the AW Green Shield where he played for three years, but his love for the Club started prior to this selection. He often told of sitting at the gate near the fence watching O'Reilly, Morris, Lindwall and their contemporaries terrorise opponents with their skills. From Green Shield he quickly graduated through the ranks to First Grade where he established an enviable record, ultimately scoring 10952 runs, still the record aggregate in that grade. It should be noted that Warren, in his First Grade career, was involved in 45 century plus partnerships. An unparalleled achievement.

At the age of 24 he took on the First Grade captaincy, the position he held with distinction for 14 seasons, leading the Club to five premierships and three runners up. In that period, the Club also won seven Club Championships. While it's obvious from his record, Warren was an outstanding leader. He was firm, but fair and a master tactician. Most importantly he had a reputation as a true sportsman and generous opponent. He encouraged positive cricket and led from the front gaining total respect from his team mates and opponents alike.

Warren also had a strong career for NSW, playing 35 times, captaining twice and averaging over 40 at the top of the order. His contribution to NSW cricket included as a state selector, team manager and service on the State Board. He also had a stint as a Director of the Australian Cricket Board of Control, now Cricket Australia. He was awarded CNSW Life Membership in 1977 having received the same honour from St George in 1969.

While Warren's contribution to St George on the field was enormous it was matched by his efforts in administration. He served on the Committee for 37 years, the last 10 as President. For the last 30 years he held the position of Patron with his great friend Brian Booth. The two pillars of the Club.

What of course can't be quantified is the impact Warren has had on the lives of so many. There's no doubt that on hearing of the sad news of his passing thousands would have reflected on a Warren Saunders story, whether it be from watching him play, making a speech with a positive message, a quiet one on one piece of mentoring, the list is endless. One thing that will be consistent is that each and every one will reflect on a wonderful man. Impossible to count the number of times it's been said – Warren Saunders 'what a gentleman'.

St George DCC has been the beneficiary of Warren's outstanding talent and importantly his generosity in sharing those talents. Whether it be his outstanding playing record or his service in administration our Club has thrived because of the efforts of Warren Saunders. It is now the responsibility of all members to ensure his legacy is maintained and extended.

## Brian Booth MBE

Many stories have been written about our club enticing Don Bradman with the offer to cover the price of his train ticket from Bowral. An appropriate comparison is Brian Booth moving from Perthville to Bexley in 1952 and being advised by his landlady, Mrs Brown, to walk around the corner and knock on the door of Warren Saunders, to ask where he could play cricket. What a fortuitous walk that was, starting a friendship that lasted over 70 years and providing St George with one of our greatest ever players, commencing with a premiership in that first season of 1952/53.

Brian's enormous talent saw him represent Australia on 29 occasions, including twice as captain, scoring 1773 runs @ 42.21 with five centuries. (He also played hockey for Australia at the 1956 Olympics). He represented NSW in the Sheffield Shield on 93 occasions, captained his state and scored 5577 runs @ 43.57. He was recognised with Life Membership (1971) and then inclusion in the Hall of Fame (2014). In his career at St George he scored 10674 runs @ 45.4 with 23 centuries, the club record. His 110 wickets were captured at 24.9 and included a hat-trick against North Sydney in 1961/62. He was chosen in the club's Team of the Century in 2010 as was an inaugural inductee into the St George Hall of Fame. Life Membership was awarded in 1970. Brian was elected a Life Member of the MCC and in 1982 received an MBE from the Queen.

While Brian's playing record, particularly for St George, is outstanding, his contribution off the field in the nearly 50 years since his playing retirement has been remarkable. After service on the Management Committee, Brian, while still playing, took on the responsibility of Club President in 1972. Ten years in this office then became 40 years as Club Patron, including devoting his energy throughout the 1990s to the role of AW Green Shield coach, giving freely of his knowledge to a generation of young cricketers. A very hands on and passionate Patron, he could be seen every week at Hurstville Oval or Harold Fraser in quiet conversation with a player who'd sought his always considered and measured advice. Even this season with his ailing health he was still seen on the balconies of both grounds supporting the players and club he loved.

Perhaps the most important thing that can be said about Brian Booth was that everyone who met him, liked him, undoubtedly because he was always respectful, courteous and interested in the person with whom he was conversing. We console ourselves with the knowledge that we had the privilege of knowing this wonderful man and we celebrate his life of service.

# RESPECTED BY ALL

## John Martin

John was 1st grade player Number 206, having graduated through the ranks from Green Shield (1956/57 and 1957/58), Poidevin Gray and then each of the grades. With a strongly built frame and a natural athleticism he powered to the crease delivering outswingers at genuine pace. A quiet, gentle man off the field John on crossing the boundary line was not afraid to intimidate batsmen with his speed and a ferocious short ball. His first grade career, starting in 1962/63, saw him capture 403 wickets at 18.44 as he lead the attack in 4 premierships successes. An outstanding slip fieldsman, late in his career, with large hands and long reach, he regularly reminded his captains that they should have recognised this talent earlier.

John was elevated to the Sheffield Shield squad where he had some success. His most notable scalps being Greg Chappell twice and English opener Colin Milburn.

John's St George career finished in 1974 when he took a job opportunity in MacKay, Queensland ultimately becoming the City Engineer. He stayed in regular contact with his contemporaries and attended the Club's Centenary Celebrations in 2010. Unfortunately, recent years were restricted by poor health.

In 2021 John was elevated to the Club's Hall of Fame, joining Ray Tozer and Kerry O'Keeffe as the representatives from the 1960s. Ill health precluded his attendance but when contacted he was humbled by the recognition and indeed emotional.

Cricket is a game dominated by statistics; John Martin's are outstanding. However, in a team sport the important judgement criteria is provided by your teammates and opponents. John Martin was highly respected by all those with whom he played. He was recognised as a tough, team-oriented player who always gave of his best often when hampered by injury. Those who shared the Hurstville Oval changeroom with John to a man laud his ability but more importantly his friendship. St George has lost one of its best.

# A HUMBLE VOLUNTEER

## Keven McKiernan

Keven joined the Management Committee in the Centenary season of 2010/11, but this wasn't his first involvement with our Club or cricket administration. Throughout the 1990s, Keven was heavily committed to cricket administration, serving as Competition Secretary, then Secretary of the then Georges River Penshurst Junior Association (now St George DCA). He was also a prime mover in organising the NSW Junior Union tour of England in 1993. His son Sean played with our Club from the late 90s and is First Grade player No. 354.

When Keven joined the committee, he quickly showed his willingness to 'roll up his sleeves and pitch in'. He was always happy to work behind the scenes ensuring the important everyday tasks were undertaken and completed efficiently. When the Club decided to return to having an Honorary Secretary from the 2014/15 season, Keven took on the role with vigour. This particularly involved a commitment to ensuring our grounds were effectively managed and hospitality at Hurstville Oval was of the highest standard.

Keven spent countless voluntary hours each week making certain the Booth Saunders Pavilion and the canteen were spotless. His afternoon teas were always beautifully prepared and presented. Our players, opponents and guests were always a priority. This also applied when we hosted international, interstate or representative fixtures. From the appropriate liquor licences to enough paddle pops for the kids, Keven made sure it was done with a minimum of fuss while he stayed in the background.

Keven McKiernan was a wonderful volunteer for our Club, generous with his time and passionate about maintaining its proud reputation. Those who had the pleasure of being in his company spoke highly of him and recognised his quiet, happy demeanour. Our Club has lost a wonderful servant.

# CLUB AWARDS

## F M Cush OBE Memorial Award

This award honours the memory of our former illustrious President and Secretary. It is given to the person deemed by the Committee to have made an outstanding contribution to the Club, either on or off the field, sufficient to earn the title of 'Club-person of the Year'. The committee is pleased to announce the winner this year is **Stuart Maurice**.

One of the toughest and hardest to fill roles in any Club is Canteen Manager. Stuart has for a number of years operated our Canteen at Hurstville Oval and this season because of ground renovations also at Harold Fraser. Nothing is ever a problem for Stuart as he provides quality food with excellent friendly service. Stuart is very generous with his time and appreciated by all our Patrons.

## A L Blackshaw Memorial Award

Named in honour of the man who inspired the foundation of our Club then served in many capacities for nearly seventy years, this award is presented to the most improved Under 21 player. This season it has been won by **Raf MacMillan**.

Raf made his 1st grade debut this season and quickly established himself as a key member of the side. He was selected in the NSW U/19 team as well as representing against the touring West Indies. An outstanding season for an eighteen year old.

## E W Adams CBE Memorial Award

This award is in honour of Ted Adams, former long term Treasurer and President of the Club. It is presented to the player who takes the most wickets in an innings and this season it goes to **Paul Francis**.

In the Round 9, 3rd grade match against Manly, Paul captured 8/26 off 8 overs in an outstanding performance of consistent line and length bowling.

## David Paull Memorial Award

This award, donated to honour the memory of a great Clubman and friend, is given to a senior player deemed to have contributed most to the performance of the Club during the season. The award this season goes to **Paul Witherly**.

Paul is our 5th grade captain a role he relishes as he transitions young players into grade. This is the third occasion he has won this Award, setting a fine example of leadership. He also had a successful season with both bat and ball.

## St George DCC 'Player of the Year'

Based on a points system this award recognises the best performed player in the Club across all grades who receives the 'Kerry O'Keeffe Medal'. This year the winner is **Andrew Walsh**.

Always a consistent performer Andrew was a significant contributor to 2nd grade with both bat and ball. His 385 runs and 35 wickets only tell part of the story as Andrew is a respected leader both on and off the field. A wonderful competitor and a great example to players across all grades.

## Bruce Mulcahy Memorial Award

The award, donated by the family of the late Bruce Mulcahy, is given to the outstanding batsman in 2nd Grade. The winner again this year is **Kurt Chalker**.

With 434 runs at 33.38 and a highest score of 81 Kurt again led the way from the top of the order. Kurt is now well established in 2nd grade and he played a number of match winning innings.

## Richard Stokes OAM Wicket keeping Award

This award is donated in perpetuity by Richard Stokes for wicketkeeping excellence. It is open to 'keepers' in all grades. The winner this year is **Joel Rush**.

Joel continued his move through the grades taking a permanent position in 2nd grade where he held 25 catches and completed three stumpings. His keeping continues to improve and he ultimately gained selection in ones as an injury replacement.

## Adam Sweetnam Memorial Award

This award is donated by the Sweetnam family in memory of their son, Adam, who lost his life whilst a playing member of the Club. As Adam was a promising young player, it is fitting that the award goes to the Under 21 Poidevin Gray Player of the Year. The winner this year is **Adam Singleton**.

After a lot of hard work during the off season Adam reaped the rewards. After consolidating his position in 2nd Grade, Adam accepted the challenge of leading the Poidevin Gray batting, showing increased maturity and responsibility.

## L B (Bruce) Blackshaw Award

This award, donated by Bruce Blackshaw, son of former President and Patron A L Blackshaw, is presented to the A W Green Shield Under 16 competition player who by his general demeanour and sportsmanship, has made a contribution to the standing of the Club in the competition. The winner of the Award this season is **Will Taylor**.

A hard working and reliable medium fast bowler, Will had an excellent season. Following consistent performances in the Green Shield and Metropolitan Cup Will was promoted to 5th grade where he also had considerable success. Will always puts in and displays the attributes of a player who puts the team first.

2012-13

First Grade had a very consistent, yet frustrating year in all competitions. We played some brilliant cricket, often winning games from positions where we shouldn't have. At the end of the regular seasons, we finished first in the Kingsgrove Sports T20 Cup, first in the Limited-Overs Cup and fourth in the Belvidere Cup. Unfortunately, we would bow out at the quarter final stage in all three competitions. With that being said, there were some outstanding team and individual performances throughout the year.

Before we get into the season, I want to say a huge congratulations to Trent Copeland, who announced his retirement from cricket this year. It goes without saying that Copes is one of our club's best ever. His on-field skills and knowledge will be sorely missed, and the change rooms at Hurstville just won't be the same. I have lost count of how many games Copes has won for this great club, both with bat and ball. Most of all, his generosity to his fellow teammates and young players will never be forgotten. Even when away with NSW, Copes is often on the phone chatting to members of the team about their game, or simply checking in to see who won the morning touch football game. The club wishes Trent, Kim, Lenny and James nothing but the best for their next stages in life as a family. We hope to see you all down at Hurstville in the years to come.

What a year it was for Blake MacDonald. After a few tough years with injuries, Buzz forced his way into the NSW Shield side through sheer weight of runs. He made 50 on debut and we can't wait to see him progress over the next 12 months at the next level. He's the ultimate team man and his on field performances speak for themselves. Blake scored multiple hundreds this year at the Second XI level, as well as a brutal 140 in Round One against the Hawks and a frustratingly close 99 against a strong Sydney side.

Throughout the year, Blake's main partner in crime was Blake Nikitaris, who himself scored eye pleasing hundreds against Western Suburbs and Gordon. Blake spent most of the year playing for the Blues and also made his debut for the Sydney Thunder. Still a youngster, Nikko has thousands of runs in front of him and the boys love having him back whenever available.

Other highlights in the batting group came from hundreds to both Luke Bartier and Jono Craig-Dobson. Bart's scored a quick-fire century to get the side to a big total against Sutherland, mixing up some delicate touches with long hitting to all parts of the ground on a slow wicket. Dobbo went out as nightwatchman against Fairfield and came off the field the following week with his maiden century. This was one of several important innings he played this season, often getting us home in high pressure situations. It's an area Dobbo works extremely hard at, and the results spoke for themselves.

Our bowling unit was the reason we won most of our games throughout the year and remained consistent all season. Whilst there were no standouts, the attack was led by Pete Francis and Copes whenever available. Pete had an outstanding T20 campaign, with his numbers matching the best in the competition. He also took a well-deserved five wicket haul against Sydney in tough conditions.

As mentioned earlier, we had many different bowling options, and everyone contributed at some stage. Raf MacMillan debuted this year and played every game as an inexperienced off spinner - what a talent he is. He bowled a large number of overs, often attacking the batters as well as keeping the runs down so the quicks could rotate at the other end. I'm very excited to see what the future holds for Raf. Jono Craig-Dobson, Thomas Mackenzie, Josh Moors and Luke Bartier were all key to our bowling unit. Moorsy showed exactly what he was capable of against Western Suburbs and Sutherland, bowling the opposition out on batter friendly pitches with five and four wickets respectively. Barts was also rewarded with his maiden five wicket haul - taking six wickets against Manly as he lead the way to bowl out their strong batting line up.

It was with great pleasure that we saw four debutants this year in First Grade. Rafael MacMillan, Jack Hartigan, Rhys Cattle and Joel Rush all received their numbers and represented the club with great pride. I'd also like to congratulate Kurt Chalker who made his T20 debut in First Grade against Sydney. I'm excited to see how these boys progress next season after having had a taste of the top grade.

A huge thank you must go to the coaching staff for all their efforts. To Jacko and Waz, your support was brilliant throughout the year. The structure and organisation of training meant the boys could turn up and get on with business without thinking. I know the boys were extremely grateful for your time and commitment throughout the year, and it's obvious to see some of the individual growth from the players, which you most definitely influenced. To Trent, Kevin, Ed, David and Rick, a huge thank you for all your efforts at training. The playing group is extremely fortunate to have you guys looking after them each and every week.

To Kev Greene and the committee - thank you for everything you do. The players and I appreciate your support and the opportunities you provide us to improve each year.

Finally, a big thank you to our scorer Jeff Evans. Your commitment to this group over the years is second to none and we love having you at every game. Thank you for your continued efforts!

Looking forward to seeing everyone back again for season 23/24!

2009-10

After a 9th placed finish in season 21/22, the St George Second Grade side were eager to improve and determined to get back to the top of the ladder where we belong! With the majority of players having good pre-seasons, the club was well placed to start the season. With a couple of new faces in the side, we fielded a very strong outfit for the start of the competition.

With a win against Hawkesbury in Round 1, followed by a dominant win over Bankstown in the following round, we were up and about and feeling confident with our start to the season. As well, it was good to have some two-day cricket back, something we had all missed over the previous 18 months.

In the lead up to the Christmas break we had a couple of losses, a draw and a few more wins to find ourselves on the edge of the top six. We felt like we were playing good cricket, but just needed to be more consistent for longer periods of time.

Rounds 8, 10 and 11 saw three last over thrillers against quality opposition. In two of these games, we were good enough to get the win, both chasing, and they were vital in our push towards the top six. It was also really pleasing to see that we were learning how to take the game right to the end and remaining calm under pressure in difficult situations!

The back end of the season was highlighted by an outright victory against Sutherland in Round 14. A quality bowling display helped us get the 10 points and cemented our spot in the finals – a very important win with the ladder being so tight. We ultimately finished in 6th place and were drawn to play the strong Manly side at Pratten Park in the first final.

Bowling first, we were in a good position at lunch on Day 1 with Manly 4/80. Unfortunately, in the following sessions we let ourselves down with some poor ground fielding and dropped catches. The Manly tail seized the opportunities they were presented with and just batted and batted. Our bowlers toiled hard in the very hot conditions before we eventually dismissed them for 309 after 135.5 overs. Disappointingly, it just wasn't to be our weekend as we were bowled out for 86. The end result was in no way reflective of our season.

Although we didn't play our best cricket in the final, it was still a positive season and making the finals was a massive step forward for the team and a big improvement on last season. I believe we played good cricket in patches, but still need to work on a few areas if we are to challenge for the premiership, that being our consistency and fielding. As I mentioned in my report last year, winning a premiership is a three-year

build and I believe that with the ability and talent we have within the core group, we have the capacity to do so.

For the second consecutive season, Kurt Chalker was our leading run scorer. Joining the team in Round 3 following his overseas trip, he made an immediate impact. A hard-hitting opening batsman, he got us off to a flyer on numerous times. For me, his 81 against Sutherland was his best knock. With wickets falling around him, he played a mature innings, adapting to the match situation to guide us to nail biting first innings points in what then turned out to be a great outright victory. Chalks just needs to kick on, get that big ton and he'll be right in the frame for First Grade selection.

Jackson Shaw's aggressive approach is great to watch, but I think Shawry's game really evolved this season. He found that balance between attacking the bowling and batting time, with his innings of 85 against UNSW being a highlight. Often his own toughest critic, his passion to win and to do well is inspirational, it shows just how much he cares and wants to succeed. One of the best fielders in Premier Cricket, his more than handy leg spin also got us a few breakthroughs in tough periods. Shawry is a great team man who wants the best for everyone!

Adam Singleton slotted into the No. 4 role this season. He played some great knocks with his 67 against NDs and 53no against Campbelltown being the pick. The big improvement from Singo was his ability to rotate the strike and look busy at the crease. He also showed how easily he can clear the pickets. When the ball is in his zone, no ground is big enough to contain him. Singo is a player to watch and with continued dedication to training and consistent performances, I know he can push for First Grade honours in the future.

Keiran Beadon earned promotion to the team in Round 1 and batted in the very important No. 3 spot. He was on fire from the start with back-to-back 50+ scores in the opening rounds. He is a natural timer of the ball and his stroke play is really good to watch. Beado would definitely have benefitted from his experiences in 2s this season and I'm sure with continued commitment, he has the ability to go further.

Jack Hartigan was a great bloke to have around the group. Unfortunately, he had a disrupted season after suffering a serious injury fairly early on. Upon his return, his innings of 58 against Randwick was all class and showed how much talent he has. Harts has a good cricketing brain and I have no doubt he will play lots of First Grade!

It was great to have Andrew Walsh back this season and he made a huge impact, on and off the field. His experience and what he brought to the team were two of the reasons we made finals. With 35 wickets at 21, he had the new ball swinging, took early poles and was a handful for all opposing batsmen. Batting in the middle order, Walshy got us out of some tricky situations, no better illustrated by his 60no against Sydney Uni to win us the game in the last over. His ability to bat for long periods or go out and play shots made him a captain's dream. Another super competitive, inspirational player who was extremely important around the team.

Evasio Macmillan took the new ball, and his opening spells were always nice and tight as he continually beat the edge. However, I think it was after the Christmas break when Vasi really bought in and took his game to the next level. I was really pleased with his 5/31 against Sutherland, his best figures in Second Grade. It was a great reward after bowling well without any luck. Vasi also played a vital role with the bat. Finding himself at No. 9, he put on some really good partnerships when games were in the balance, often getting us the win, when it seemed unlikely.

Rhys Cattle is a very talented all-round cricketer who was new to the team. His left arm orthodox bowling was of high quality, and he was unlucky not to take more wickets. His batting was also impressive. Finding himself in the lower order, his attacking nature was really good to watch. His 60 against Sydney was outstanding and was vital in our ultimate victory. With continued hard work and commitment, I can see Rhys becoming a very good allrounder in the top grade.

Unfortunately, Victor Strange broke his finger in Round 1 and didn't re-join the team until after Christmas. When he returned, he was a huge inclusion to our bowling line-up. Coming in at first change, Victor dominated. Put simply, he is a wicket taker with plenty of pace and bounce. His best bowling of 4-26 against Sutherland was testimony to this. Unfortunately, Victor rebroke his finger in this game, which put him out for the remainder of the season. I'm sure with a full pre-season, a First Grade call up isn't too far away.

Joel Rush was a new face behind the stumps and I'm sure would have learned a lot in his first season in Second Grade. His six catches against UNSW was a season highlight for him. With continued glove work training, he will only improve and take those half chances. Rushy is a very talented batsman and like Vasi played some vital finishing roles for us at the end of the innings. Unfortunately, he had to bat down the order, but I know he is more than capable of batting higher. A great team man, Rushy is to be congratulated on his First Grade debut this season.

It's always great to have Matt Hopkins and Josh Moors in the side when they are not in First Grade. Both of these guys are very important when they play for us and their impact and talent does not go unnoticed. Big thanks also to Pat Brown, Matt Grealy, Nathan Anderson, Steve Milliken and Blake Kenworthy for playing throughout the year. I understand it can be tough going up and down the grades, but all these guys put in and gave it their all and that's all I can ask!

Big thanks To Dave Williams for helping us out for the year. Giving up his time to come and warm us up every Saturday is really beneficial and definitely appreciated, so thank you Dave. Thanks to Steve Gray for scoring every week and for his support throughout the season. Thank you to Leanne Gray and the mothers who helped out in providing such quality afternoon teas. The boys and I really appreciated it. Thanks also to the groundsman, Stuart, Damian and Warren at Hurstville and Anthony at Harold Fraser. Finally, thank you to DJ and Darren for all the work you do at our home games.

To all the coaching staff and committee, thank you for giving us the best chance to succeed whilst we play for the best club in the world. I appreciate all that you guys do for the club and the players.

Cheers,

# THIRD GRADE REPORT

JOSH APPLETON  
Captain – 3rd Grade

1926-27

1927-28

1950-51

1954-55

1955-56

1961-62

1962-63

1970-71

1993-94

1999-00

2005-06

This time last year, I said the 2021/22 season was my most enjoyable season to date, which is no longer true as this latest instalment has well and truly exceeded my expectations and taken the top spot.

I knew that the building blocks for our Third Grade side had been assembled last year with a side growing in confidence, but we just weren't quite ready to be one of the top lineups in the competition. This season however, all that changed and we very quickly established ourselves as one of the toughest sides to beat in the competition, eventually ending the season with the most points of any St George team and getting close to progressing to the second round of finals.

In the lower grades, cultivating the winning culture we found this season is not made possible solely by filling a team with talented cricketers (which we were lucky enough to do). Sure, that's important, but it's just as important as a collective mateship within the team which has players excited to turn up Saturday to play with their team-mates.

I'm truly thankful for the people I got to play alongside this season and only hope they too are better off for it like I am. Whether it was toiling in the field for 80 overs where Eastern Suburbs notched up a hefty 7d-353, or we were tearing through Sydney and chasing down their total by tea time, I would do it all again with those boys.

We took personal milestones to another level season this year which undoubtedly assisted us with putting some big wins on the board. In the 2021/22 season, Third Grade recorded three 5-wicket hauls and one century all season. This year, we had four 5-wicket hauls and four centuries.

The high spirits inside the St George Third Grade sheds only grew in volumes when the side was joined by two international imports, "the poms" as they became known. Tim Lloyd (AKA Timbo/Lloyd) and Ben Beaumont (AKA Benny/Benji/Beau/Bondi) quickly integrated themselves into the side with their unique play-styles and personalities. I hope they enjoyed their season as much as we enjoyed sharing it with them. I have no doubt Tim is still having dreams about his name being chanted by the entire club during a beer pong match at the Christmas party.

A special shout goes to two of my main confidants, Matt Dedes (AKA Virat Kohli) and Matt Grealy, who as I understand, will also be hanging up the spikes. My game strategy and ability to maintain my cool amidst a sea of nonsense being spoken by other members of the team would have been nothing without them.

The highlights undeniably outweighed the lowlights this season. It's only fitting that I note a few moments deserving some spotlight.

Skipping forward to Round 10 in a one-day fixture against Sydney Uni, we posted a competitive total of 9/260 which the Students came up well short of. Our result with the bat would not have reached such heights without the ballsy effort of our opener, Alex Parthenis. Partho notched up 90 not out off just as many balls, the vast majority of which he hit after retiring hurt due to being hit in the place where no man wants to be hit. He eventually made his way back to the field, defying all expectations after spending the better half of an hour lying and moaning in pain in the sheds. His innings after hitting the crease for a second time was one of the finest of the season and showcased the maturity he is quickly developing as a young player.

Next on my list, we head back to a Round 5 two-day match against Fairfield-Liverpool, which resulted in neither a highlight or lowlight. After a weak batting display, we were bundled out for only 161, not nearly enough for comfort. However, the boys refused to let the game die and with a special five-fa from Ben Beaumont, backed up by all bowlers and fielders, we took the final wicket as the scores were level, leaving the match in an unbelievable tie. While always disappointing not to take all the points on offer, we had completely turned the game around with true fighting spirit and walked away with a result many never would have expected from us.

In Round 6 against Western Suburbs, the team pulled off a win which felt special because of how it came about. Bowling first, the Saints toiled throughout a very long and hot day one on an incredibly dead wicket and against an unusually negative Wests batting effort. Wests batted on into day two, eventually declaring at 7/241. After a slow but consolidated

start with the bat, the team gathered during tea and agreed that the run-chase was going to be all or nothing and that a draw was not what we wanted. The runs which flowed once play resumed set the scene for one of the most exciting afternoons the team shared all season. The run-chase, led by Matt Dedes (AKA King Kohli) and Alex Parthenis ended with the Saints winning by five wickets with overs to spare.

My final highlight to note is exactly what any reasonable person would expect it to be. I am of course referring to Paul Francis' unbelievable 8-26 against Manly-Waringah in Round 9, or what many are calling the "Great-fa". Leading up to Paul's feat, the Saints had fought hard batting first on an ugly, wet wicket to get to a competitive 8/191. That all became seemingly irrelevant news once Paul was thrown the ball and proceeded to cast some magic over Graham Reserve. The top side in the competition was no match for Paul who tore through their lineup, each wicket garnering an even bigger celebration than the last by Paul and his team-mates. As a captain delivering a post-game chat, there's not a whole lot which can be said to dissect this magical feat. The only thing I said then and will say again now, is that those sorts of moments are reserved for those who deserve them and Paul, being the incredible clubman and competitor that he is, undoubtedly deserved that moment.

Sadly, I will not be going around next year but I can feel satisfied with that decision knowing that I got to spend an incredible season competing with many of my friends. I'm confident that the momentum the Third Grade cohort has gathered this past season will set them up for an even bigger season in 2023/24, one I will be following closely.

The successes shared by our team this year would have been nothing without the support of a few people.

The biggest shout-out must go to Ian Anderson, who for many games of the season, was our side's manager, scoring every ball and assisting wherever else he could. His support was invaluable for every player but particularly me as captain because of the time it freed up for me to do what I needed to do. Thanks so much Ian!

Our band of supporters who turned up to games are also much appreciated. Having supporters turn up and make some noise at lower grade matches is rare and undeniably delivers a small but valuable advantage. Thank you to all of you - you know who you are!

Finally, thank you to all staff and volunteers at St George District Cricket Club who make all this possible. This is a truly special club with rock-solid foundations built on the passion and selflessness of its many people who work behind the scenes.

I'm incredibly grateful to have been trusted to captain a team at such an amazing club.

Onwards!

2012-13

2018-19

While 4s were the only Saints team not to progress to the finals, one needn't look far to find plenty of positives to take from the season. The most important is the quality of the young men who represented our club so well this season. Without exception, every Saint who played 4s this year represented all the values which our club is so proud of. While we all wish we could have won the one more game that would have seen us play in the finals, we should be proud of the umpires assessment that saw us ranked No. 1 in our grade for the spirit in which we played. In a year where we lost Keven, Warren and Brian, there is perhaps no greater honour than to be recognised as having played in a spirit these three great men would have admired.

With two games to play we were in third place and planning for another finals run. While a bit of luck with the weather earlier in the season would have seen us safely clear, the reality is that we lost Rounds 14 and 15 to teams below us on the table who certainly outplayed us on the day.

The backbone of our success throughout the season was the talent and consistency of our top order batting. With four players amassing over 290 runs for the season, we certainly had the platform from which to win enough games to challenge for the premiership.

From this group, Eric's 452 runs @ 75.33 saw him stand out as arguably the competition's best batsman. The runs Eric scored, and the manner in which he scored them, once again proved that he has the talent to play and succeed in higher grade cricket.

Equally important to our batting success were the contributions made by Matt Lemma (379 @ 34.45) and Sohan Kumar (291 @ 41.57). That this pair amassed these numbers without a century, points to the wonderful consistency they brought to their batting.

While 2022-23 didn't deliver Billy Konstas the runs his talent promised, he was a very important element of the team, especially as he was left as the team's sole slow bowler late in the season. In this regard he performed admirably. While a premiership winning team probably needs a specialist spinner, Billy's bowling will be a valuable option, and a handy string

to his bow (as will his slip catching) when he scores the runs we know he can and he's pushing for consideration in 3s and 2s next season.

Eric, Matt, Sohan and Billy, we're also equally valuable assets to the team through the support they offer their teammates and captain. With their experience, intellect, selflessness and insight they all have so much to offer the club as leaders into the future.

Tom Forrester was the greatest, but least surprising, success story of the season. Tom should be incredibly proud of a season where he scored 385 runs @ 29.62. Tom instantly became an essential ingredient in the team, performing beyond his years in everything he did, be that taking on the new ball, being the team's outstanding fielder and contributing as a more than handy bowler, especially in the one-day games. On top of all this Tom's humility, wit and selflessness made him a valued friend and teammate of everyone he plays with. Tom will play higher grade cricket next season and promises to be a wonderful leader of our club, on and off the field, for many years to come.

The contribution to our team's culture made by Taj McLoughlin behind the stumps should not be underestimated. Taj is another young cricketer that our club should be enormously proud of. Wicket keepers are often responsible for the 'mood' of a team in the field, a big responsibility for one of our younger members. Thankfully we were in safe hands, as Taj personified the values our team prized the most; hard work, respect and integrity. Undoubtedly these traits come naturally to Taj, but his dedication to bringing them every week was a contribution that should not be underestimated. Taj is a very recent convert to the keeping role and his season long dedication to hard work will see him become a highly valued asset to the club for years to come.

With the records showing no bowler taking 25 wickets, and only three bowlers taking more than 10, it can be little surprise we weren't where we wanted to be in March. There is so much potential in the young fast bowlers that played 4s this year, with Marcus, Manraj, Brock and Lewis all having the ingredients for success in this, and higher grades. However, too often, an unplayable ball is followed by a ball

that releases the pressure, be that a boundary ball, or simply a ball that allows the batter to get off strike. Aiming to bowl more maidens next year is almost certain to also produce higher numbers in the wickets column.

It is a pleasure to have this opportunity to recognise the parents of the fabulous young men I had the pleasure of playing with this year. Your sons are a great credit to you and your support of the team and the friendship you extend to me is a very important part of why I still love turning out at St George each year.

While a sentence or two can't do justice to the generosity of all our club's supporters, your service on our behalf is never taken for granted. Particular thanks go to Jacko for all his efforts. Jacko is a steadfast servant of our club and wholly deserving of special thanks. So too is our President. To Kevin and the committee, a massive thank-you for all you do and for allowing me the honour of being a leader in our great club.

*Steve Wark*

### SAINTS TEAM OF THE DECADE

At our recent Centenary Of 1st Grade Dinner the Team of the Decade spanning from 2010/11 to 2019/20 was announced.

BACK ROW L-R: *Stewart McCabe, Trent Copeland, Kurtis Patterson, Blake Macdonald*

FRONT ROW L-R: *Matthew Hopkins, Simon Chu, Kevin Pilla, Nicholas Stapleton*

*Absent Moises Henriques, Josh Hazlewood, Steve Green, Daniel Magin*

### 100 YEARS OF FIRST GRADE LEGENDS PICTURE

Arthur Laundy won a very special opportunity to be photographed with some St George DCC legends.

BACK ROW L-R: *Graham Smith, Nathan Pilon, Trent Copeland, Kurtis Patterson, Steve Bernard, Murray Bennett, Nicholas Stapleton*

FRONT ROW L-R: *Blake Nikitaras, Warren Saunders, Arthur Laundy, Brian Booth, Geoff Milliken.*

1972-73

1983-84

Moving on from last years' panic filled, pandemic fuelled season I thought the 2022/23 season would be so much less eventful. In hindsight that was purely wishful thinking...

The season kicked off with an interesting Round 1 trip to Bensons Lane. After losing the toss and being sent into bat on a green top, we found ourselves 5 for 22. Thanks to the experience of Jhie Cushan (not out 22) and Blake Austin (not out 29) we recovered to be 5 for 78 before bad weather stopped play. It would not be the last time this season I was left scratching my head, but I still can't work out why 4th Grade were coming off for lightening and we weren't, given we were only 20 metres away. On a positive note, I was pleasantly surprised that my Kia Rio Sport (sport referring to the optional coloured wing mirrors I paid extra for) posed unknown off-road capabilities, as I was one of the few cars not to get bogged leaving the venue.

With our Round 2 game against Bankstown being abandoned, we found ourselves being washed out on the second Saturday against Parramatta in Round 3. With Parramatta being dismissed for 261 in the 80th over, I was given plenty of opportunity to have a good look at our bowling options for the season. Seeing young AW Green Shield quick, Lewis Keenan steam in with his left armers had me thinking excitedly about the year ahead.

With the Olds Park square being re-turfed, we hosted our Round 4 fixture against Eastern Suburbs at Marrickville Oval. Living up to his earlier promise Keenan cleaned up with 4 for 6 and was well supported by his fellow opening bowler Liam Hewitt (3 for 23). Keenan, with his now self-appointed nickname 'The Mop' would go on to be our leading wicket taker for the season, taking 25 wickets at 14.84. Hewitt, another left arm opening bowler and mainstay of this season's attack, would come fourth in our wicket taking ladder. Unfortunately, both my left arm bowlers suffered at the hands (or lack of) of their ageing skipper as he struggled through the season to catch anything in slips. Nevertheless, in this instance we managed to bowl out Easts for 122. With George Kazakonis making 42, as opener, and Cushan 43 we were able to make 206 in reply. Pushing for an outright, we sent Easts back in. With Easts providing more resistance in their second innings the game fizzled out as they concluded on 4 for 130.

With wet Sydney weather still looming and ground availability dwindling, we remarkably found ourselves playing Fairfield Liverpool, on two consecutive Sundays, at their first-grade venue. Winning the toss and sending them in, we found ourselves in a great position with them being 7 for 116. Unfortunately, some poor discipline with our bowling late in the day resulted in Fairfield Liverpool reaching 245. The following Sunday, we found ourselves 3 for 48; fortunately 58 from Tomas Phelps, 41 from Zorawar Singh and 40 from Ethan Simpson enabled us to pass their score 8 down with ten overs left in the day's play.

Round 6, played at my old hunting ground of Cahill Park, saw Keenan (3/50) and Hewitt (3/22) as the chief destroyers as Western Suburbs accumulated 228. With Harry Brown, my usual floating opener/number three, being absent this round I made the decision to give myself a go at the top of the order. Having some success in this round cemented my position for the rest of the season and added another string to my very slow straight break bowling. Another half century to Phelps for the season and a 61 not out from Cushan allowed us to pass their total 3 down in 44 overs. In his second season of grade, Phelps was our second highest run scorer, scoring 279 at 23.25. In addition to his batting and faultless fielding, he also took 14 wickets at 27 (our third highest wicket taker). Whilst many would acknowledge Phelps as one of our most mature cricketers, I realised during this game that our team was comprised of a wide range of people all with their own strengths and abilities. It was at this stage I made the conscious effort to go with the flow (to a certain extent) and attempt to build on the foundations of our team gingerbread house by playing positive and fun filled cricket.

Raby hosted our Round 7 clash with Campbelltown Camden. After losing the toss, we bowled tight, to restrict them to 7 for 192 from their 50 overs. A fine contribution of 42 not out from Harry Brown guided us to victory in the 42nd over. Over the course of the season, Harry was invaluable, not just with the runs he scored (261 at 23.73) but also as a sounding board for some of my decisions I made as a captain or a batsman. He was also instrumental in reining in the youthful enthusiasm of both young and old.

The round prior to the Christmas break had us back at our home venue of Olds Park for the first time this season, to play Gordon. Unsure of how the wicket would play (and

because I generally do anyway) I sent Gordon into bat. Gordon were restricted to 203 for 7 off their 50 overs, with Austin McDean (on debut) being the pick of the bowlers with 3 for 28 from his ten. Off the back of his innings last round, Harry Brown was able to score a quick 86 from 92 balls. This solid start enabled Phelps (39 not out) and Cushman (17 not out) to guide us home in the 37th over.

With our Round 9 fixture against Manly Warringah being abandoned, our first game after Christmas would be our Round 10 fixture against Sydney University. With a strong batting line up, we scored 232 in a reduced 48 overs, with Matthew Iemma and Sohan Kumar scoring 47 and 43, respectively. In reply, we dismissed Sydney University for 114 inside 35 overs. The wickets were shared amongst the bowlers, with Phelps and Michael Kennedy taking 3 wickets each.

Sydney were our opponents for Round 11. With a week one washout, we turned up to Ryde Oval on the second Saturday for a hot and humid 120 over day. Losing the toss, Sydney elected to bat on a wicket with a damp patch at one end, just outside off stump. Some tight bowling from Marcus Fry (1 for 28), Keenan (2 for 26), James Brown (1 for 18) and 4 for 30 from the steady Scott C Airey (renamed on the day - Scary) dismissed the home side for 151 in the 70th. After being 4 for 37, the experienced Andrew Pandelis (Panda) and Joey Towerton complied a sensible 55 not out and 60 not out to guide us home. Much like Harry Brown, Panda provided another mature head and sounding board for myself. Having Panda standing next to me at second slip often allowed a day's play to pass quickly with his humour and cricketing stories.

Round 12 proved to be a game of two weekends, after dismissing UNSW for 92 in 71 overs and being 1 for 22 at stumps, we were in the box seat. After spending the week contemplating whether we should bat on once we had passed UNSW's total or whether we should declare straight away, we embarrassingly found ourselves being dismissed for 60. Even though we had lost on first innings, we still thought we were a chance of an outright, particularly when they were 5 for 20. In the end, the game concluded with UNSW reaching 8 for 132 in 56 overs. Keenan ended up with a five-wicket haul, conceding 23 runs from 15 overs. As a team we had also learnt some valuable lessons about never giving up and not counting our chickens until they had hatched.

For the second round running we were at Olds Park for Round 13, sent into bat on a green looking deck we made 293 against Randwick. The ever-reliable Phelps made 46, but a well-constructed and beautiful executed 84 from 86 balls by Blake Austin enabled us to reach this large one day total. Again, the pace and bounce of Keenan was too much for Randwick with him dismissing their first four batsmen with figures of 4 for 42 from 9 overs. Although we did not bowl Randwick out, their

innings petered to 7 for 199. With, the inseparable Austin and Cushman in the team we always felt a better unit. More often than not they could both make batting look easy, playing shots I only ever dream of playing. They both were also great in the field and could bowl some handy overs, when required. But more importantly they put the team first, even if the day wasn't working out well for them.

*Beautiful Olds Park hosting another 5th Grade triumph*

Round 14 was the local derby, whereby we needed a win to secure a top six finish. Having won the toss and elected to bat, we were struggling at 6 for 57. However, a contribution of 15 from James Brown, a magnificent 61 from Llewellyn Wylie (Welly) and a powerfully struck 29 not out from Keenan allowed us to reach a competitive 171. Jubilant at how the three youngsters had got the team back in the contest, we managed to jag 3 wickets prior to the close of play. On the second Saturday the experienced Sutherland side fought hard, being bowled out for 141. A ninth wicket partnership of 52 was making us uneasy until it was broken by a catch behind to Welly from the bowling of William Taylor. This was shortly followed by a direct hit run out by Cushman to seal the victory and our place in the finals. It was a great team victory, led by the youngsters; The Mop, Welly and Jimmy B. Jimmy B was the team's energizer bunny and anytime he was on the park he was easily our best fielder. In addition to his batting, where he averaged 71, Welly's keeping really developed through his hard work and determination and this was reflected in the number of dismissals he took (22 catches and 3 stumpings). Whilst these three could have driven many captains over the edge they are great kids who brought fun and entertainment into every game.

In both Round 15 and the first round of the finals we came up against Northern Districts, with these opponents eventually becoming the Premiers. In the final round we ended up 12 runs short of chasing downing ND's 189. Again, Wylie impressed with the bat ending up on 31 not out and Imad Ahmadi was the pick of the bowlers with 4 for 17 from his ten. Unfortunately, Ahmadi didn't qualify for the finals, he could well have proved to be the difference as

ND's struggled to pick the leggie and his array of variations. In the finals, Will Taylor was the pick of our bowlers taking 4 for 54 from 29 overs, at Hurstville Oval, as ND's passed our 92 on their way to 5 for 243 from 99 overs before both skippers called it a day. Taylor, who has a bright grade future, was particularly impressive in the first round of the finals and was unlucky not to take a five-wicket haul, with a catch going down in his last over.

Having been the highest placed loser we got a second bite of the cherry, progressing to a semi-final against Manly Warringah at the very flat Mike Pawley Oval. To my surprise they won the toss and elected to bat, giving us the opportunity to bowl them out. However, it was only an opportunity as it took us until the 144th over to dismiss them for 415. From my memory, we had 58 overs to chase down their score in what equated to over 7 runs an over. In the spirit in which we had played our cricket we gave it ago, being 1 for 40 off the first 5 overs. Unfortunately, it was a run rate that was difficult to sustain, being dismissed for 202 in just over 40 overs. The pick of the batters were Kazakonis (65), Austin (32) and Wylie (37 not out). Kazakonis was also pick of the bowlers with 3 for 92 from 28 overs with his more than part-time leggies. AW Green Shield bowler, Manav Shah also had an impressive grade debut taking 1 for 27 from 12 overs. Unfortunately, Keenan missed the semi against Manly due to a fractured wrist which he had unknowingly and courageously played with in the preliminary final. I am sure this is not the last opportunity Keenan will have to play semi-finals cricket; it may just be the last opportunity he will in this grade.

In closing I would like to acknowledge and thank the many parents that helped support the team, get the team organised and make sure their sons had everything they needed to be successful. Thank you, without supportive parents my role as captain can be much harder that it has been this year. A special thanks goes to Big Al (Alan Pandelis) for scoring,

organising my team sheets, providing his team reports on Facebook and providing me his encouragement and advice.

I would also like to acknowledge the tremendous efforts of Chris Hobbs and Anthony Holdstock, the ground staff. After a difficult start to the season Chris and Anthony were able to prepare some great cricket wickets at Olds Park, offering some seam movement with the new ball but the opportunity for batsman to cash in once their eye was in.

To the committee, especially Kevin Greene, thank for your continuing support. Thanks to Peter Jackson and the other members of the coaching staff who do an excellent job sometimes under difficult circumstances, particularly with the Sydney weather. Thank you also to the five other captains, it is great to tap into your knowledge and experience.

A big thank you to Andelys and our girls, Mackenzie and Maddison. Whilst in previous years I have thanked them for affording me the opportunity to devote so much time to Saints cricket this year is a little different. To Andelys, your motivational coaching tips have become the mainstay of team talks towards the later part of the season, with the boys paying more attention to your thoughts on the game than mine.

I thought last year was my most enjoyable season I had played for a long time, but I think this may have surpassed that one. Again, we had a great bunch of players and supporters, but this year we really tried (even when we weren't playing well) to have fun. Isn't that why we play the game?

In closing, it would be remiss for me not to mention the passing of club patrons Warren Saunders OAM and Brian Booth MBE, and former secretary Keven McKiernan, I extend my deepest condolences to their families.

Thank you.

The 2022/23 season presented a number of challenges for our team, with a high turnover of players and some key injuries impacting the squad. While we only secured two wins from our six games and faced some tough defeats, our players remained committed to developing their skills and improving their performance. As a club with a proud history, we hold ourselves to high standards and will continue to work towards being more competitive in future seasons. Despite the difficulties, the season provided valuable experience and opportunities for growth, and we look forward to building on this in 2023/24.

We started the season with a thrilling last-ball T20 win against a strong Manly side. However, we were then comprehensively beaten by Randwick-Petersham and Eastern Suburbs. Our batsmen lacked experience in T20 cricket, and the low, slow pitches challenged them to find a balance between playing high percentage cricket while also putting pressure back on the bowlers.

The competition shifted to 50 over games in Rounds 4 and 5. While we were disappointed to lose both matches, there were some positives from our batting group, with scores of 87 and 58 from Adam Singleton, and a 71 from Alex Parthenis.

Our development as a team was evident in a dominant victory against a talented UNSW side. We were able to bowl the opposition out for 137 with just one fit fast bowler and 10 fielders after Marcus Fry was injured in his second over. We comfortably chased the target down with an eight wicket victory in a confident and composed batting display.

Adam Singleton led the batting group with 197 runs for the season. Adam has always had the ability to dig in when the team is in trouble and give us a winning chance. However, he was able to develop his attacking stroke play in the early stages of his innings as the competition progressed. Alex Parthenis opened the batting for the majority of the competition. He rediscovered his best form in the final two rounds with 71 and 41, both at close to a run-a-ball.

Rhys Cattle showed how dangerous he can be with the bat, scoring 28 from 11 balls to finish off the game against

UNSW. With increased opportunities up the order next season, we will look for Rhys to make some bigger scores. Joel Rush, Rafael MacMillan, Patrick Brown and Marcus Fry showed glimpses of what they could do with the bat and contributed to our two victories. With another year of physical growth and the experience of a full season under their belt, we expect bigger contributions next season.

Our two English imports, Benjamin Beaumont and Tim Lloyd, were great additions to the squad. They would have liked to score more runs, but their attitude and commitment were excellent and never wavered. Injuries to our captain, Jack Hartigan, and top-order batter, Keiran Beadon, kept them out for the majority of the campaign, which should provide extra motivation for them to make a big impact in 2023/24.

We had a brand-new bowling attack, with only Rafael MacMillan having bowled a ball in the Poidevin-Gray Shield previously. Raf, Rhys Cattle, and Zac Stanbridge each took seven wickets to top our tally.

Spin bowling was our strength, with three talented finger spinners in Raf, Rhys, and Patrick Brown. All three had some great spells and were able to build pressure at stages. With more scoreboard pressure and some wickets with the new ball, this trio has the potential to be a dominant force in future seasons.

Zac Stanbridge and Marcus Fry were our fast bowling duo after an injury to Victor Strange kept him out for the entire competition. They bowled the key overs and took some crucial wickets. They faced some challenging moments against high-quality opposition, but these experiences will play a vital role in these two young men continuing to develop their limited over skills.

Joel Rush was our wicketkeeper and he was clean behind the stumps with minimal errors, highlighted by an excellent catch for a key dismissal in Round 6. Jarrod Brown deservedly made his PGs debut in his final season after steady improvement in his game. Brown is a great clubman, who like many of the boys would have liked to contribute more with the bat,

however, he was great to have around the group. Eric Bell came up from the ACT to open the batting against Manly and showed his ability to put pressure on opposition bowlers in a brief cameo. With greater availability, Eric could be a big asset to the team.

The season furnished an abundance of invaluable experience for our young side, and they will undoubtedly benefit from it as they continue to hone their abilities and improve.

A big thank you goes out to Nick Trainor for giving us his time to run warm-up drills and guide the players on game day. Your assistance and knowledge are highly valued by everyone involved. I would also like to extend a big thank you to Jeff Evans for scoring. Your selflessness is greatly appreciated by myself and the team. Hopefully we can keep Nick and Jeff around as the team strives to win a competition in the coming seasons.

*David Williams*

With five players returning from last year's winning squad expectations for our Green Shield squad for this season was high. The side was captained by Ed Anderson and included following players

Ed Anderson (c)  
Anoop Bawa  
Luke Hill  
Manav Shah  
Jackson Ingram  
Manraj Kahlon  
Lewis Keenan  
Llewellyn Wylie

Austin McDean  
Keanu Botha  
Jeevan Raj  
Will Taylor  
Jack Walker  
Damon Wilkie  
Armaan Kumar

This year's Green Shield competition was probably one of the closest in recent seasons, with over a dozen teams a chance of making the top eight, going into the last round. The side started well with a good win at home against UNSW in round 1. After that, the side was involved in some real "nail biters" with the result not determined until the last ball of the final over of the day.

Against Sutherland Lewis Keenan & Jeevan Raj put on 19 runs for the 10th wicket to tie with Lewis hitting the last ball into the outfield for it to be dropped and they were able to get back for two to tie the game. Penrith needed three off the last ball of the 50th over with the Penrith batter being caught by Luke Hill on the boundary off the bowling Will Taylor who bowled a brilliant last over. In the game against Wests after looking well in control but a loss of wickets late in the innings saw that man again Lewis Keenan hit the last ball of our innings for four to win the game.

Going into the last week of the competition the side needed to win at least one its two remaining games against Sydney or Gordon to progress through to the finals. Unfortunately, we were well beaten by Sydney and a narrow loss against Gordon in the final round & with 3 wins & tie and three losses it wasn't enough to make the finals.

The following are the results & highlights from each game.

Rd 1 St George 5-222 (E Anderson 63, A Bawa) d UNSW 9-221 (W Taylor 4-38)

Rd 2 St George 9-226 (L Hill 95, M Kahlon 41) tied with Sutherland 6-226 (W Taylor 3-23, J Ingram 2-22)

Rd 3 St George 9-186 (A Kumar 43) lost to Mosman 7-254 (L Keenan 3-44, J Ingram 2-43)

Rd 4 St George 6 -211 (K Botha 77, D Wilkie 28no) d Penrith 9-209 (W Taylor 4-39, E Anderson 2-48, L Keenan 2-45)

Rd 5 St George 9-162( A Kumar 55) d Wests 159 (J Ingram 3-27, L Keenan 2-32, W Taylor 2-41)

Rd 6 St George 101 lost to Sydney 0-102

Rd 7 St George 9-189 (M Kahlon 43, E Anderson 29, A Bawa 25) lost to Gordon 7-196 (J Ingram 4-24, W Taylor 2-39)

Overall, the squad competed well for long periods in most games but there were small periods in games where we had momentum only to lose that through loss of wickets in clumps or a drop chance in the field. We hope that players will learn from being in these situations and next time when in similar situations be able to cease the moment.

With the ball we bowled well as unit & were able to restrict the opposition to gettable totals. One of the strengths of the bowling group was our death bowling with our ability to pick up wickets in those last 10 overs to restrict the runs. Will Taylor with 16 wickets & Jackson Ingram with 11 wickets were our leading wicket-takers, well supported by Lewis Keenan, Manraj Kahlon & Ed Anderson. Austin McDean, Jack Walker, Manav Shah & Jeevan Raj provided good support with limited opportunities & we look forward to Manav, Austin & Jack leading our attack next season.

Our batting performance was reflected by the lack of big scores & sizeable partnerships with only four scores over fifty for the competition, Ed Anderson 63 against UNSW, Luke Hill 95 v Sutherland, Keanu Botha, (country player from the Hunter region) 77 v Penrith and Armaan Kumar with 55 v Wests. Our leading run-scorers were Luke Hill with 182 runs at 26 & Manraj Kahlon with 177 at 29. A number of our batters were unable to convert their starts which made it difficult to build any momentum in our innings.

In the field, the effort was there but we let ourselves down at vital moments in games with a drop catch or missed run-out. This is one area of the game that I would encourage all players to work on to ensure that when those chances come at vital stages of the game that we are taking them. Our keeper this season was Llewellyn Wylie whose work & energy behind the stumps improved as the competition went on.

Congratulations to Will Taylor who with his 16 wickets was selected in the Green Shield Merit XII and Ed Anderson, Manraj Kahlon and Lewis Keenan for making the 2023-24 U17's NSW metro squad. This is promising group of young cricketers who will no doubt represent the club in higher grades in the years to come providing they work hard on their game & continue to display a positive attitude despite the challenges the game may provide along the way.

I would like to thank Nathan Anderson for his support as assistant coach, our Manager John Grealy for looking after things off the field, Manjinder Singh for scoring and all the parents for their support & commitment.

We have six players from this year's squad Manav Shah, Jack Walker, Keanu Botha, Damon Wilkie, Austin McDean and Anoop Bawa all available next season, I look forward to working with the new squad to see what we will be able to achieve next season.

I would like to pay tribute to Warren Saunders, Keven McKiernan and John Martin who we lost during the season. I offer my condolences to their family and acknowledge the valuable contributions all three made both on and off the field. Also I would like to congratulate Trent Copeland on a wonderful career who announced his retirement. Your contribution both on and off the field has been the cornerstone of the success our club and NSW have had over the past decade.

Finally from a club perspective, there were many positives to take away from this season with improvement in our position in club championship, our 1st grade making the finals in each format and our lower grade well represented in finals. I look forward to being a part of the club's continued improvement to the point that it will translate into premiership success.

# METROPOLITAN CUP REPORT

SWAPNIL PAWAR  
Captain – Metropolitan Cup

As the season draws to a close, I want to reflect on our efforts as a team. First and foremost, I want to thank Kevin Greene, Peter Jackson, Greg Matchett and Hamish Solomons for their support in participating in the Metro competition. Also, sincerely thank you to all players and their parents for their hard work and dedication in every game. You have all played an integral role in our team's success.

We faced some tough competition and challenging circumstances throughout the season, but we never gave up. We came together as a team, supported each other, and pushed ourselves to be the best we could be. Looking back on our performance, I am proud of what we accomplished. We had some fantastic wins and played some genuinely exceptional cricket. However, there were also moments when we fell short of our goals and needed help to find footing. Nevertheless, reaching the semi-finals in the first season is an achievement we all can be very proud of.

This achievement is a testament to young talent within the club and players' commitment to the game. I am honoured to have such talented and passionate players on our team. All boys played exceptionally well, and singling out any individual performance would be unfair as each player contributed in the different games through either bowling, fielding or batting.

Your contributions have all been invaluable to our team's success, and I am excited to see your continued growth and development as players. You all have a bright future ahead of you in the game, and I look forward to watching you achieve even greater success in the coming seasons.

As we move forward, there are some areas where we can continue to improve. First, we must focus on our basics and improve communication on and off the field. We also need to work on our consistency and mental toughness to perform at our best no matter what challenges we face.

Overall, I want to congratulate each of you on a successful season. We have grown as a team, learned from our mistakes, and become stronger on the other side.

I am honoured to have such young, talented, and passionate players on our team, and I look forward to seeing what we can achieve in the future.

# Top 15 of 2022-23

## 1. Blake Macdonald First Class Debut

Just a great moment for the club and Blake Macdonald when he made his First Class debut and scored 62 against SA for the Blues. As much as we'd like to have him available for 23/24, we want to see this young man succeed at the highest level, where he belongs. Blake became the 51st cricketer to play Sheffield Shield whilst a Saint.

## 2. Paul Francis and MyCricket

Since the inception of MyCricket – Paul Francis returned the best figures for a St George in a limited overs game with 8/26 against Manly in Round 9. Across NSW Premier Cricket, it's the 3rd best of all time. January 7, 2023 was a special day for Paul and his team. Memories and records were made.

## 3. Trent's Retirement

One of the greatest ever from St George (and NSW) hung up his boots. Trent's cricketing story and career is nothing short of amazing. He reached the pinnacle, but always gave his heart and soul to the Saints in every appearance to the very end. He sits very comfortably alongside the greats of St George DCC.

## 4. January 14, 2023.

January 14, 2023 was a great day. With four grades already victorious, the boys all tuned in to watch the dying stages of Second Grade game against the traditionally strong Sydney Uni. Needing five off four, Walshy, who finished 62\*, nailed a six down the ground to secure a red and whitewash for the lads.

*Jonno Craig Dobson amazing century at Nightwatchman*

## 5. Jono Craig Dobson's Century

Jono Craig Dobson rounds out the season's top five with his miraculous century, coming in as a night watchman. His captain Nick Stapleton put it best, "Simply an incredible effort from someone who plays hard and gives 100% every week."

## 6. Up Against the West Indies

In November, a few of the boys were selected for ACT/NSW in a practice match against the touring West Indies - Pete Francis, Blake Macdonald, Tom Vane Tempest and 17 year old Raf MacMillan. Against a Test attack; our man Blake Macdonald struck 177 opening the batting. Serious cricketer putting his name forward for higher honours.

*That time 4 Saints took on the Windies  
- Tom Vane Tempest, Peter Francis,  
Blake Macdonald and Raf MacMillan*

## 7. Honoring 100 Years of First Grade

It was a major coup to host Cricket NSW for a pre-season game at Hurstville Oval to honour 100 years of First Grade. It was even better to come out on top, but not a complete surprise with Henriques, Patterson and Copeland in the Saints line up. Blake Nikitaras shone brightly with 102 against a quality attack which included Nathan Lyon.

## 8. 200 Runs in Fourth Grade

There has only ever been one partnership over 200 in Fourth Grade, so as you can imagine the performance of Eric Serra (129\*) and Matthew Iemma (65) in Round 6 is right up there. Their partnership of 177 secured a great win for the team and aided in Eric Serra having a big season with the bat.

## 9. The Passing of Warren Saunders

The passing of St George great Warren Saunders was deeply felt across the club. In Round 15 this year, Cricket NSW decided to rename it Warren Saunders Round. While the Saints didn't get the results they wanted, it was a fitting tribute to a man who embodied everything great about our cricket club.

*Sydney District Cricket stopped to pay tribute to one of its greats*

## 10. Luke Bartier's Bowling Performance

Luke Bartier put on a performance for the ages in Round Nine with 6/11 against the then top of the table Manly. It is, as far as we know, the best bowling figures in a First Grade limited overs match for the club since the inception of MyCricket.

## 11. Blake Nikitaras' Thunder

How good was it to see our very own Blake Nikitaras suit up for the Thunder this season in front of some big crowds in the BBL. We know that this guy is going to dazzle them at this level in years to come.

*Blake Nikitaras gets picked up by The Thunder*

## 12. No.1 Spot in the Sixers

With a healthy crowd gathering on a Thursday night, First Grade secured No.1 spot in the Sixers Conference with a last ball win against Mosman. This pair was clutch - Vasi with a six off the first ball and Moors with a four off the penultimate delivery to send the Saints crowd into a frenzy. One of the great songs sung in the sheds afterwards.

## 13. Blake Macdonald's Rare Talent

Blake Macdonald had a very good season, and he was on from the start with a spectacular white ball 144 off just 104 balls against Hawkesbury in Round 1. His innings contained no less than 8 x 6s and 10 x 4s. A rare talent.

## 14. Our First Metropolitan Cup Side

We were lucky to enter our first Metropolitan Cup side in 2022/23. This was fantastic for our younger players as a stepping stone to grade cricket. Thanks to Swapnil Pawar who did a great job as captain of this side with them turning in some huge wins and making the finals.

## 15. Fifth Grade Skipper Paul Witherly

Our Fifth Grade skipper Paul Witherly dominated this year to take his team one game away from the Grand Final. Paul led the way with some dominant innings and some very useful wickets. He contested the Player of Year with some big names such as Walsh, Stapleton and Macdonald.

# Our Wicket Taking Machine Calls Time

## Trent Copeland

LIFE MEMBER  
No.59

I was going to title this piece, “Bowling Machine Calls Time”, because Trent Copeland could bowl and bowl and bowl.... and then he would want to bowl some more. However, I then realised that batsmen tend to enjoy batting against bowling machines and so this title was not worthy.

**T**rent Copeland destroyed batsman. His stats don't lie. He destroyed their averages; he destroyed their premierships dreams and quite often he destroyed their confidence and hope. At St George, we know the legend all too well. The keeper/batsman that became one of the best bowlers of a generation. We don't need to hear it again, but let's take a trip down memory lane and re-visit what was written about Trent in the annual report after converting from wicket keeping to bowling.

First, let me paint the picture, if I may indulge just a little. Trent was playing Third Grade and off the back of some amazing performances, the team finished the season in third position and went on to win the premiership after Trent claimed seven wickets in the final.

“Of course, no one stepped up to the plate quite in the same fashion as Trent Copeland. In last year's report, I wrote about our wicket keeper being a “frustrated bowler” waiting to emerge. It was a slow start initially, but by the end of the season Trent was devastating with his bowling, and thankfully for his team, his batting didn't

go by the wayside. His century and 75 against Easts in the preliminary final and final were beautiful innings and outlined why Trent was more than a worthy Player of The Season for the club. Trent's figures speak for themselves. Amazing! Congrats Trent on a magnificent season.”

Warren Saunders loved the story so much; he made me retell it to all the club legends at a Life Member's lunch a few years back. What was there not to love about the rise and rise of Trent Copeland. The news of his retirement was only overshadowed in the “sadness department” by the passing of Warren and then Brian Booth very recently.

Lawson and Greg Matthews. Let's not dismiss his all-round abilities. Copeland was good enough to score a shield century, 106 vs Tasmania in Hobart. He finished with 2163 First Class runs, as well as 111 catches.

Now onto his stats for St George.....

465 wickets across all grades, 496 including PGs. 423 of those wickets in First Grade at the amazing average of 17.95. This included the 16 occasions he took five or more wickets in an innings (Usually more than five). He finished with 4527 runs across all grades, 5037 including PGs. All up he scored four centuries, two of which were in First Grade where he scored 3499 runs at 25.92. His skinny little digits also managed to hold on to 99 catches in the field. We delve further back to those first seasons at the Saints where he claimed 63 dismissals as a wicket keeper with 55 catches and 8 stumpings.

There's a consensus in the grade/district cricketing world that if you've been around for a while and managed to win a premiership, you've done very, very well. There are many cricketers out there who have played year after year and never enjoyed the mixture of beer and Tarn-Off from those historic pieces of silverware, including the Belvidere Cup. Well get this. Trent has won an almighty

Trent had some wonderful similarities to Brian. Both wiry athletes hailing from Bathurst with skills in other sports, particularly hockey, where Trent also represented St George at Premier League level until he had to pack his stick away upon earning his first Shield contract. Both men admired Trent's abilities and successes immensely.

Who didn't love following the wicket taking exploits of Trent Copeland over many, many seasons. We also loved that his passion and commitment to St George never waned throughout that amazing First Class career. This to me is why Trent can sit comfortably amongst the likes of Warren and Brian. True Saints with an undeniable love for our amazing club.

With a career like Trent's, one must soak in the statistics. They are truly remarkable.

Trent finished with 410 First Class wickets. Six for Australia and 344 for NSW in the Sheffield Shield which sees him finish 12th on the all-time list of Australian bowlers and 3rd for NSW behind Geoff

eight premierships in his time with St George including four First Grade flags. At one stage during those PG years, he had won more premierships than he'd played seasons. Just remarkable!

Choosing a highlight in a career jam packed with highlights would be like picking a favourite child. Trent begrudgingly, but not surprisingly picks the "Threepeat" of 2009/10.

The Saints looked gone in the final against Sutherland at Bankstown Oval only for Copeland to make the game his own in the 2nd innings, claiming 8/58 to set up the victory. Not surprisingly,

he was awarded the John Benaud Medal for Player of the Final as well as taking out the coveted Bill O'Reilly Medal for Sydney Grade Player of the Year.

It was our 99th season at St George. The club took out the Club Championship, won premierships in First and Second Grade, were runners up in Thirds, Fourths and PGs and semi-finalists in Fifth Grade. Trent, following up his unbelievable 66 wickets the season before, finished with 67 wickets, including an amazing seven occasions where he had five or more wicket hauls. What is even more remarkable about that season was Trent missed several games. Thanks to some good Second XI performances and a spate of injuries, Trent was chosen to make his Sheffield Shield debut and once again he found a way to work his name into the history books. He claimed the second greatest figures on debut in NSW history with 8/92. He ended up playing five Shield games that season and claimed 35 wickets at 17.57. It was the start of something very special. Those wickets, combined with his 67 wickets for the Saints at 12.58 gave him a jaw dropping 102 wickets for the season, not including Second XI games. I think we have a favourite child right there!

No wonder a full page in the 2009/10 Annual Report was dedicated to Trent Copeland, "The Bowler". In that article, he was quoted as saying, "Bowling wise, I aspire to be someone like Glenn McGrath or Stuart Clark. Guys who bowl consistent line and length and do a bit with the ball off the wicket". This was Copeland at just 23 years of age, after just a handful of years as a pace bowler. Mission accomplished.

Australia's fascination with flat out pace bowling saw the likes of Mitchell Starc jump ahead of Copeland and his aspirations of playing further cricket for Australia after just three tests in Sri Lanka in 2011. Seemingly unfazed, Trent got on with business and churned out an amazing career for NSW that aside from the countless scalps, also

yielded two Sheffield Shield successes and two Limited Overs titles. Like all pace bowlers, there were times when we thought injuries would finish him off, but he had a way of bouncing back that surprised none of us at St George. This is the mark of a true champion and his 52 wickets in the 18/19 Shield season, the best by a NSW pace bowler, underlined his tenacity and competitiveness.

Throughout all the successes and thousands of deliveries for NSW, Trent rarely missed an opportunity to come back and put on the Saints "hoops". There was never a time where he played for our club in recent years without the same level of intensity and desire. For many of his contemporaries at St George District Cricket Club, this is what defined him. His passion for the club also helped bring success off the field. He has assisted in bringing talent, like our most recent NSW Shield player, Blake Macdonald, to the club. Then, there is his undeniable talent for speaking and game analysis, often taking centre stage at our club functions and events. We are confident that he'll have a long and prosperous career in the media.

For now though, family life beckons and I think we could all attest to being richer for having crossed paths with this highly competitive and multi skilled cricketer from Bathurst. Thanks for the memories "Copes" ..... and the premierships.

*Hamish Solomons*

## *Harold Fraser*

### SERVICEMAN, CRICKETER & AERONAUTICAL ENGINEER

Flying into Kingsford Smith Airport for some people can be somewhat daunting. We have a St George cricketer to thank for the well laid out runways. With knowledge of aeronautics, our cricketer has ensured that over the past eighty years planes have landed on the north south or the east west runway correctly. This was due to the location of the runways, consideration of possible varying climatic conditions and their construction. The design, and responsibility was that of the former St George cricketer, *Harold Fraser*.

That same name is also familiar to those cricketers in Sydney who have played at Harold Fraser Oval, Carrs Park. It was named in honour of the service provided by Fraser to the St George community on 25th August 1979.

Just who was Harold Fraser? He was born in the inner-city suburb of Newtown on 4 July 1893. At a young age his family moved to the neighbouring suburb of Forest Lodge. Young Harold joined with the local boys in playing cricket and following the deeds of the local Glebe cricketers. There was Oliver Hogue, Warren Bardsley, 'Tibby' Cotter and Charles Kelleway. Fraser looked up to these cricketers. One of his teachers at Forest Lodge was William Bardsley, Warren's father. Rugby union was the winter past time with the Glebe RUFC a draw card for Fraser who also donned the maroon jumper.

When he left school he joined the NSW Railways, as a clerk working in the Officers Clerical Division and commenced studies in accountancy at the University of Sydney. When the call went out for enlistments in the services Fraser signed up on 12 April 1915, having been in his school and civilian cadets for five years.

Fraser saw service firstly at Gallipoli, then in Egypt, Northern France, and Belgium. He was in the last boat when the Australian's departed Gallipoli on 20 December 1915. He was certainly at the frontier when it came to fighting. Whilst serving as Division Supply

Officer he was promoted to Sergeant and obtained leave in England where he played cricket with AIF teams in and around London. In 1917 Fraser left the AIF and joined the fledging Royal Flying Corps undergoing intensive training before piloting aircraft over France. When the war finished Fraser undertook a degree at Oxford University in aeronautics.

*Harold Fraser*

*Fraser with Sir Donald Bradman and Saints legend Dick Jones*

Fraser was an accomplished pianist and upon returning to Australia in 1920 set up Australia's first professional dance jazz band, the Syncopas with the renowned Eric Battershill. For the time it was unbelievably innovative. The band was most successful and played the music circuit in Australia for six years. Their Sydney venue was the Wentworth Hotel where they signed a contract to perform nightly. Their fame spread to such an extent that a new ballroom was built to accommodate those attending their performances.

Whilst there was a small income stream from the performances Fraser continued working as a Public Accountant during the day. When Fraser toured to the country with St George teams or with minor representative teams, his jazz performances on the piano were both crowd and team pleasing.

Aircraft was certainly Fraser's passion. In 1924 he re-joined the Royal Australian Airforce. When Parliament House in Canberra was opened in 1927 it was Fraser, now a Squadron Leader who led the aircraft that flew in formation over the new Parliament buildings. Fraser resigned from the air force in 1934 but was persuaded to join the Department of Civil Aviation in 1938. It was in this role as flight officer at Mascot Airport that Fraser was responsible for the design and setting up of the runways at the airport. Initially Fraser used to sit in the open fields of Mascot Airport with lights and flares to ensure the planes landed safely. Initially Mascot had only one hanger on its 450 acres. When he retired in 1958 Fraser had been Airport Manager for 11 years.

When the war concluded and whilst studying at Oxford Fraser found time to play for some of the university teams and was invited to play in the second XI at Gloucestershire as a wicketkeeper. When he returned to Sydney Fraser lived for a period with his brother, Alex. He joined the St George DCC in the 1926-27 season and after a period in second grade was selected as the first-grade keeper replacing Cecil Corps being cap no 51.

He played first grade when regular keeper Dick Jones was not available. He was in good company as that

season Albert Scanes, Stan Mealey, Frank Ward, Bill Ives, and Don Bradman also made their debuts. It was the commencement of a friendship with Bradman that carried through the years. Age was not a barrier, there was 15 years between the pair, as Bradman respected the fighter pilot and musician. Bradman regularly spent time with Fraser in 'piano sessions' at the Fraser house, 'Palmyra', 17 Vista Street, Sans Souci. When Bradman turned 21 it was Fraser, who hosted a party for him at his home. It would have been an enjoyable evening with music drifting from the upper ballroom of the Fraser home.

It was a quiet start for Fraser in the top grade, just four games, with a highest score of four and three dismissals behind the stumps. The following season, 1927-28 there was a top score of 11\*, six catches and five stumpings in a team that finished a respectable fourth in the Sydney grade competition. In the 1928-29 season Fraser played the full season and performed 'admirably' behind the stumps. There were further games in first grade in the 1929-30 however Ernie Laidler was knocking at the first-grade door, performing well in the lower grades. Fraser was replaced as the first-grade keeper in the 1930-31 season with appearances over the next four seasons in second, third and fourth grade. At the end of it all Fraser's first grade statistics were 24 innings with 18 his highest score at an average of 5.31. He took 23 catches and effected 7 stumpings.

When his grade career concluded Fraser decided that he could still play cricket at a reasonably competitive level. In 1935 he founded the St George Veteran's Cricket Club which played in the City and Suburban Cricket Competition. Amongst the team were some of his former teammates from St George, including Des Mullarkey, Pat Fox, Harry Theak, and Ralph Kable. In 1975 Fraser was made Patron of the club and appointed President, a well-deserved reward for his service to the club he had founded.

The Sports Oval at Parkside Drive, Blakehurst fittingly became the home of the St George Veterans Cricket Club, following their departure from Jubilee Oval. The naming of Harold Fraser Oval was a well-deserved honour for the former St George cricketer who was described as 'one of those human beings who excelled in every field of endeavour'.

Harold Fraser died on 14 August 1985, aged 92. His life had certainly been full. In retirement Fraser won prizes in the Sydney Morning Herald Garden Competition for his handiwork in his garden at Connells Point. Always seeking to challenge himself Fraser had taken up lawn bowls at the St George Bowling Club with his old friend Des Mullarkey.

*Ronald Cardwell*

E Jamieson.....	18	2	137	781	48.1						

*“Be modest in victory and generous in defeat.”*

WARREN SAUNDERS OAM

*“If you go out and try to give it your best and not to give up because of the score or situation, there’s always something to learn, something to give. I think the fact that you’re able to put something back into the game that you love so much, the friends you make, I think that’s worthwhile.”*

BRIAN BOOTH MBE

## All Time Highest Run Scorers for the Club in All Grades (5000 runs or more)

	1st	2nd	3rd	4th	5th	Total
